

We are excited to welcome **Chef Aaron Franco** to the Tigard Taphouse!

# Chef Aaron

“I have been cooking professionally since 2004, but have been in the kitchen as long as I can remember, learning Italian cuisine from my father & cooking for my siblings. Often, we had to improvise dinner with limited resources, making magic happen through love and imagination. This eventually evolved into my style, mixing simple classic techniques with nostalgic family offerings. I invite you this **August** to try our **new menu offerings**, including some of my favorite dishes including basil ricotta gnocchi with lemon beurre blanc and bucatini carbonara.”

## NEW MENUS
